Math semesters in Moscow. After careful deliberation, we have decided that the best way to ensure our students safety and to maintain the high-quality educational standards of the “Math in Moscow” program is to make all instructions for the Fall 2020 semester online. That allows us to extend the deadlines and to offer you options of signing up for one or two courses, please find more ...

Welcome to the Los Angeles Math Circle (LAMC)!

Abstract: Many mathematicians have been drawn to mathematics through their experience with math circles: extracurricular programs exposing teenage students to advanced mathematical topics and a myriad of problem solving techniques and inspiring in them a lifelong love for mathematics. Founded in 1998, the Berkeley Math Circle (BMC) is a pioneering model of a U.S. math circle, aspiring to ...
