This is a guest post written by Workplace Change Management Consultant Robert Garrett. Why everyone’s talking about activity-based working. In recent years there’s been a lot of talk about activity-based working (ABW).Many organisations have discovered that the world has moved on from the boss in the corner office keeping an eye on the workers all seated in neat rows of desks busily ...

10 Factors to Consider Before Implementing Activity-Based ...

Medium problems take more time to solve and require more help. Usually adults help solve medium problems. However, it’s expected that kids help solve medium problems with the adults. Finally, big problems take a lot of time to take care of and require a lot of help from others. When big problems happen, even adults need help from other adults.
